Assignment

Mi Barrio

You and your classmates are asked to serve as tour guides for engineers from Boquete, Panama. You share about Jamaica and they share about their community in their country. Create a scenario in Spanish in which you and your classmates:

Step 1

- a) The group must submit one hard copy of the dialogue on the day of the presentation to the judge/judges

Step 2

The group must do the following:

- b) Paste a plan of your community [on a cartridge paper/app alternative] on the board
- c) Arrange the class to look like a community. The community must only include what is in your plan

Step 3

Each member must do the following:

1. greet the class
2. introduce themselves to the class

Step 4

Three tour guides must do the following. You decide how each tour guide is going to do it:

- a. introduce themselves to the engineers
- b. welcome the visitors to the country

- b. state the name of the community
- b. name three important buildings
- b. name two places of interest in each community or parish
- b. name **one** activity the visitors can do in your community or parish

Step 5

Let each engineer tell about the same community in the same country. Each engineer should state his/her name, then **each** engineer should do **two** of the following:

- a. the name of the community
- a. its location
- a. three activities in the community
- a. at least two important buildings
- a. he/she likes about the community
- a. he/she dislikes about the community
- a. an appropriate ending

Step 6

The video must come in between 12:00 midnight and 1:01 AM on the night of the presentation. **HOWEVER**, only those students who submit their videos before 12 midnight will receive full marks. After 12 midnight, students will lose marks. Students who submit their videos at 1:02 AM, will not receive a mark for the video section.
